ADDITIONAL GRANT APPLICATION INFORMATION

Funding Limitation and Review/Action Procedures:

Application may request up to \$1,500.00 for smaller community arts and arts education projects. These applications will be reviewed after the submission deadline by CCAC Program Staff and Executive Director. Applications will be contacted in writing two weeks of the deadline regarding the status of or specific action (Approval/Disapproval) that was taken on their application.

Applications may request up to \$5,000.00 for projects in the “Major Grant Application Request” category. Such applications must be turned in by of the quarterly deadline date(s), however, the review process for these applications includes a preliminary review by CCAC Staff, a detailed review by the CCAC Review Panel, who in turn makes recommendations on action to the CCAC Board of Directors. The CCAC BOD will then make a final determination on funding support for this project. This process will take approximately eight working weeks. “Major Grant Application Requests” are made available for in-depth projects that involve extensive “long-term” planning. Proposed projects dates should be 90 days or more after the deadline submission date for which the grant was submitted.

Additional Requirements for Major Grant Request:

1. A minimum of 50% matching cash funding towards the project is required. Amounts and sources must be noted in the budget. Contact names and phone numbers for the sources of matching must be noted on the budget page.
2. Bio-data/Resume(s) additional detailed information must be included for all of the principal coordinators and artists involved in the proposed project.
3. In-kind donations and sources of the donations must be included on a detailed sheet to accompany the application.
4. Any supplementary materials that may support or enhance understanding of the project should be submitted (*samples, support letters, reports of similar past projects, etc.*)

Note: *Major Grant Application Requests that involve any significant coordination by Individuals/Organization that have not submitted final reports for previous CCAC grants will not receive review or action.*

FINAL REPORT REQUIREMENTS FOR ALL APPROVED APPLICANTS:

A report of the project must be submitted to the CCAC no later than 30 days following the completion date for the project, noted in the application. Should reports not be received, the Project Coordinator will be liable for the repayments of all granted funds and/or will be ineligible for future CCAC grants.

Reports must include the following:

1. Summary of Activity (*two pages minimum*). Include any problems that occurred and how they were resolved (*if this is the case*), the most positive aspects of the project, how goals initially set forth in your application narrative were met, etc.
2. A list of all of the participants.
3. A minimum of photographs taken during the activity.
4. If artist or other were paid, submit a timesheet signed by the payee(s).
5. Copies of any pic’s releases, newspaper articles, poster, flyers or other promotional materials.
